

## Step Up Sunday Fellowship Hour

August 23, 2009  
9:45 .M.-10:45 A.M.

August 23,2009 is the day our children will move up to the next grade level in their Sunday School classes and this year we want to make it a special day for all who attend Sunday School.

As the children have the chance to meet their new teachers, we would like for adults to have the opportunity to learn about the **Adult Sunday School** classes offered at Forrest Burdette. August 23<sup>rd</sup> we will have a fellowship hour in the Fellowship Hall with tables set up for each Sunday School class to present information on what they are studying and anything else they'd like to share about their class.

Listed below are some quick facts about the fellowship hour:

1. Tables will be set up in the Fellowship Hall for each Sunday School class to use as a "display area". The tables will be set up Saturday night.
2. Get together as a class and come up with a way to decorate your table. It can be very simple or elaborate, whatever your preference. The tables will be ready for you anytime Sunday morning
3. Include information at your table about things you do as a class outside of the Sunday School class environment. For instance, parties, dinners, fellowship times, community service, and anything else you do as a group. Pictures would be a great way to convey this information.
4. The Sunday School class description that is used by the church will be used to make separate informational flyers for each class. Please review the information and add more to the descriptions if you would like. This information can be more comprehensive because there is not as much space limitation. If you have a Facebook page or any other means of sharing information about your class, please add this to the description.
5. **Please encourage your entire class to attend the Fellowship Hour.** This is a wonderful opportunity to catch up with each other right before the end of the summer season. You may also see people there who are looking for a Sunday School class and your presence at the Fellowship Hour may be the encouragement they need to visit your class.
6. **Please bring food.** We will have tables set up in the front area of the Fellowship Hall for food. Please ask the people in your class to bring some type of food with them. Forrest Burdette has amazing cooks so this is a great opportunity to enjoy some delicious goodies. The church will provide drinks.

If you need further clarification, please contact the church.
