BILL MURK
Sunday, October 11 at both services

Bill Murk was born loving music! As a child, he traveled across the country in concert ministry with his parents and sister as *The Murks*. He continued this musical heritage with his wife Jeanine and daughters Brienne and Heather Michelle as *Myrrh*. Now Bill offers churches and organizations a solo violin concert unlike anything they've heard before.

Bill Murk is one of the premier Christian violinists today. His eclectic style covers a wide range of musical tastes with a captivating freshness that surprises younger and older audiences. From traditional to praise and worship, Celtic, jazz, bluegrass, and contemporary, Bill's rare, sensitive display of violin mastery breaks old stereotypes and inspires a new appreciation for this instrument. Whether ministering for 50,000 men at Promises Keepers, fiddlin' at the Grand Ole Opry, leading worship with Don Moen or accompanying such artists as Yolanda Adams, Larnelle Harris, Point of Grace, 4 Him or the Gaither Vocal Band, Bill's greatest desire is to usher people into the presence of the Lord. And especially during these times of uncertainty, it is important that people re-focus on being in God's presence!
