

Photo Opportunity

Everyone is encouraged to participate in our **Easter Sunday PowerPoint Photo Presentation** on the "big screen".

We would like to take photos of couples, families, singles, members, new members, and visitors who attend Forrest Burdette.

This will be an opportunity for 8:30 worship attendees to learn who's-who at the 11AM worship service and vice versa. Our intent is to offer another way to put names with faces and become a stronger family building lasting relationships.

We desire everyone to participate - please get your photos taken after morning worship TODAY or on Sunday, March 29th, or April 5th or on Wednesday evenings. Look for Tammy Baker or Alan Williams for photo shots and share in the fun of getting to know" one another as our church family grows.

A copy of your photo will be available on Easter Sunday after both worship services in the Narthex. As a bonus the Youth Group has agreed to frame the photos of anyone who would like a take home a framed keepsake. A sign-up sheet will be available when you have your photo taken if you are interested in the framed photo keepsake. All photos will appear on the big screen on Easter Sunday.

If you desire a framed photo they will be available on Easter Sunday after both worship services in the narthex. All donations will be applied to the Youth Reach Mission Trip. Let's continue to support our youth as they prepare for the incredible task of repairing homes and leading hearts to Christ this July in Hurricane.
