

Summer Art Camp

August 17th — 21st

Monday—Friday

6PM—8PM

For children K – 5th grade

Solid Rock Café begins with a group of children heading for the “Praise the Lord Music Festival” when they encounter several problems. They have a flat tire on their van, their lead singer has a cold, they lose their map, and they find their drummer has no drums. The kids feel like they are a praise team that has lost their praise. With the help of Soulman Mac and the rest of the Solid Rock Café staff, they partake of some great ‘soul food’ –the Bible –to help them solve their problems.

The Art Camp is designed with a rotation format including the following stations: Stage & Props, Music & Choreography, Costume Design and Drama. All parents and family members will be invited to a Finale Production on Friday Night at 7PM in the sanctuary.

This children’s musical is one of hope and encouragement. The scriptures they memorize will provide a foundation of the trials they will encounter through life’s journey. Join us for an incredible week of fun.
